

Večeras je naša fešta

Svako misto svoju feštu ima,
Svako misto ima svoj dan
A fešta draga je svima
Jer tu se piva po cili dan
A mi volimo feštu
I ribu kod staroga Duje
Večeras je naša fešta
Nek se daleko čuje

Večeras je naša fešta
Večeras se vino pije
Nek se igra, nek se piva
Jer ko ne piva Dalmatinac nije (x 2)

Tonight is our party

Every place has its own party,
Every place has its own day
And the party is dear to everyone
Because everyone sings all day long
And we like this party
And fish from old Duje
Tonight is our party
Let it be heard far away

Tonight is our party
Tonight we'll drink wine
Let music be played, let song be heard
for he who does not sing Dalmatinac is
not (x 2)
