High School Carmen Sylva Timisoara

- Children were enthusiastic and happy during the game.
- They found out new traditions and facts about Danube countries.
- They were amazed that not only in Romania is the tradition of “Martisor”, but also in Bulgaria is “Martenitsa” and proposed to exchange them in 1th March 2018.
- Also, the tradition of painted eggs is present in many Danube countries.
- Most of pupils knew the flags of Danube countries.
- They found the game very interesting and willing to play again.
- The game made them to want to discover more information about Danube countries.
- Some of them told to the others about their visits in Danube countries.
- The pupils are in III C grade at High School “Carmen Sylva” Timisoara and their teacher is Mirela Carp.

Am să descopăr cum au reușit!

Voi învăța cum să fac și acest lucru!

Oare oșă să arate cea mai bună muncă de-a mea?
